Commodities & Services List

A-36 Steel	Calcium Chloride-Liquid
Above Ground Fuel Containment System	Cans- Metal
Abrasives	Carbide Tipped Bits
Accounting Service	Carpet
Actuary And Consulting Services	Cartons
Ada Panels	Catch Basin Cleaners
Advertising Services	Ceilings
Aerial Photography	Central Systems - Trucks
Aerial Units	Chain Link Fence
Aggregate	Chain/Midlinks/Grab Hooks/Wire Cable
Air Compressors	Channelizers
Air Distribution/Ventilation	Chassis Lubricators
Airplanes	Chemicals
Alkyd Gloss Enamel	Chip Spreader/Wood Chipper/Spade/Stump Cutter
Aluminum Sign Hardware	Communications
Antennas	Compactors - Self-Contained/Stationary
Anti-Freeze	Computer Sales And Service
Anti-Ice Systems	Concrete
Arrow Board .	Concrete Barrier Wall
Asbestos Abatement-Hazardous Remediation	Concrete Pipe .
Asphalt	Concrete Wheel Saw .
Asphalt Patch Unit	Construction Supplies
Asphalt Patching Equipment	Control Systems - Trucks
Auction Service	Controllers - Assemblies & Signal Supplies
Audio Visual Equipment	Copier & Scanning Machines
Auger	Corrugated Metal Culvert Pipe
Auto Glass Replacement	Corrugated Polyethylene Double Walled Pipe
Automatic/Self-Serve Wash Bay	Grane Carrier .
Automotive Cable	Cranes
Automotive Items	Crawler/Dozer
Backhoes	Custom Casework
Bags	Cylinders
Barricade Lights	Damp Proofing And Waterproofing
Barricades	Delineators
	Demolition
Bars - Sign Mounting	Demolition

Doing Business with MoDOT

Guidelines for Vendors

General Services-Procurement

Missouri Department of Transportation

Objective

To clarify and guide you through the process of submitting bids/quotes/proposals and seeking MoDOT commodity and general services contracts, the Procurement Section of the Central Office General Services Division prepared this brochure. Contact any Central Office General Services Procurement staff member, or the local District Procurement Office staff, for further information or assistance with this process. Contact information can be found on MoDOT's internet site at http://www.modot.mo.gov/business/contractor_resources/NonHighway-ConstructionBids.htm.

Types of Solicitations - Definitions

<u>REQUEST FOR PROPOSAL (RFP):</u> A process used when purchasing specialized products and/or services when the award cannot be based on cost alone. An RFP uses subjective evaluation criteria in the award process. This allows a vendor to submit a response that takes into consideration the desired outcomes written in the solicitation. He or she can then formulate a response to meet the Requestors need, at the best value for MoDOT. RFP response documents are not open for public review until a final contract is awarded. Publishing RFP response information could impact MoDOT's ability to negotiate with the vendor of choice to our best advantage.

<u>REQUEST FOR BIDS & QUOTES (RFB/RFQ)</u>: A bid or quote is for a specific item(s) or service where cost is the only evaluation factor. Vendors must submit a bid that meets or exceeds the requirements published in the request. RFB/RFQ information is available for public review at the time of the bid opening or receipt deadline date and time.

<u>Procurement's Role in the Process:</u> Procurement must ensure the entire process is performed in a fair and open competitive environment. They also ensure the process complies with all laws, regulations, policies and generally accepted public procurement guidelines. Additionally, the Procurement Agent/Buyer is the central point of information to the vendor community to make certain that all vendors are provided with the same information.

GETTING STARTED: The Vendor Data Form and MoDOT's Statewide Vendor Database

MoDOT's statewide vendor database is used by statewide MoDOT procurement to locate and notify vendors of bidding and RFP opportunities. Use the following steps to register as a MoDOT General Services vendor:

- Log on to http://www.modot.mo.gov/business/contractor_resources/NonHighway-ConstructionBids.htm and download a copy of the vendor data form. This website also includes information regarding frequently asked questions (FAQs). The FAQ also lists commodities and services purchased by General Services.
- 2. IF YOU DO NOT HAVE WEB ACCESS, please call Central Office General Services at 573-526-1431 to request a copy of the vendor data form.
- Complete the vendor data form and fax it to the number listed on the form. Once
 a completed form is received, General Services personnel will enter your
 company's information into the database. (You are not required to submit
 catalogs, brochures or product samples in order to have your company entered
 into the database.)

PLEASE UNDERSTAND THIS IS <u>NOT THE SAME</u> AS REGISTERING WITH OTHER STATE GOVERNMENT OFFICES. This is a "stand alone" database and does not interact with other agencies data systems.

If you are interested in Minority and/or Women-Owned Business certification information, please contact the Office of Administration, <u>Office of Supplier and Workforce Diversity</u> (phone: 573-751-8130 or toll free: 877-259-2963).

Receiving and Responding to Bids and RFP solicitations

When you receive notification of a bid, quote or proposal, you need to ensure that you do the following:

- Check the date and time the bid/quote/proposal is due. Carefully note the
 address to which the bid/quote/proposal should be sent. MoDOT General Service
 offices are located around the state your notification could come from either the
 Central Office (located in Jefferson City) or from any one of ten (10) districts
 located around the state.
- If you decide not to submit a bid/quote/proposal, send the bid page back to MoDOT with a "NO BID" note written on the page, along with your company's name and address. This will keep your information updated in the database and lets us know that you are still interested in receiving bid/quote/proposal notifications.
- 3. Before submitting a bid/quote/proposal, make sure all required pages are signed and any additional information requested is included in the response.
- 4. If you have questions about the bid/quote/proposal documents, contact the Buyer listed on the request. It is important to get the most accurate and up-to-date information regarding the bid/quote/proposal requirements. DO NOT CONTACT ANY OTHER MoDOT EMPLOYEE, OTHER THAN THE BUYER.

Receipt and Review of Bid/Quote/Proposals

The General Services Buyer will review all documents received to ensure they are "responsive" and comply with the mandatory requirements of the solicitation. These mandatory requirements include, but are not limited to, the following:

- 1. Was it received on or before the listed date and time?
- 2. Were the documents signed as required?
- 3. Were all other mandatory requirements fulfilled?

BIDS: All bids determined to be "responsive" will be reviewed for award recommendation based on the lowest cost that meets the minimum requirements of the bid. PROPOSALS: All proposals will be reviewed by the RFP evaluation team. This team will use the published subjective evaluation criteria to determine the best overall proposal that meets MoDOT's needs.

Award Recommendations

Based upon the products or services to be contracted, vendors recommended for final contract award may be required to submit additional information related to the following statutes, rules and regulations. MoDOT is required to ensure vendor compliance prior to final contract award.

- 1. All vendors, instate and out-of-state, must be registered with the Missouri Secretary of State's office. For additional information please call 573-751-4153.
- All out-of-state vendors, who will be providing a service within the state of Missouri, must obtain a "Transient Employer's Certificate" from the Missouri Department of Revenue. For additional information please call 573-751-0459.

 All vendors, in-state and out-of-state, providing commodities and/or services, must obtain a "No Tax Due" letter from the Missouri Department of Revenue. For additional information please call 573-751-9268.

When your company has submitted the above information, the Buyer will continue with the award process. For certain types of solicitations, the award process could take an additional 4 weeks due to obtaining the Missouri Highways and Transportation Commission's (MHTC) approval.

Notification of Award

If you are awarded a MoDOT contract, you may be notified by one of several methods. These methods include but may not be limited to:

 By telephone for purchases under \$3,000 that may be paid utilizing a Purchasing Card or purchase order.

2. Issuing and mailing the Contractor a purchase order.

The issuance for signature of a contract or agreement documents. After signing,
the contractor returns the signed document and it may be sent to the MHTC for
signature. Upon approval the Contractor will receive a Notice to Proceed letter
and/or a purchase order.

MoDOT'S Purchasing Rules

MoDOT's General Service purchasing activities are governed by the Code of State Regulations (CSR) number 7-10, Chapter 11 and MoDOT departmental policy and procedures. Additional information about these rules, regulations and statutes can be found on the State of Missouri web site at www.mo.gov.

Pre-qualification of Products

For additional information on whether or not your product or service must be pre-qualified before offering it to MoDOT, please visit our website at http://www.modot.org/business/contractor_resources/products.htm.

Additional Information Resources for Vendors

 "Open Records Law" - RSMo. 610. MoDOT is also governed by the "Open Records Law". Requests for records will be provided in accordance with this statute and departmental procedure.

 Heartland PTAC: This procurement technical assistance center (PTAC), located in Joplin, Missouri, can provide additional resources. Their number is 417-625-9538.

 Missouri Procurement Assistance Centers. This PTAC is located in Columbia, MO, and can provide additional resources. Their number is 573-882-3597.

For other information related to Bids, Quotes or Proposals please visit our website at: http://www.modot.mo.gov/business/contractor_resources/NonHighway-ConstructionBids.htm
